POLICY AGAINST WORKPLACE SEXUAL HARASSMENT

Introduction

The Incorporated Village of Nissequogue is committed to maintaining a workplace that is free from sexual harassment. Sexual harassment is a form of workplace discrimination and will not be tolerated. All employees are required to work in a manner that prevents sexual harassment in the workplace. This Policy is one component of the Village's commitment to a discrimination-free work environment.

Sexual harassment is against the law. All employees, applicants for employment, interns, non-employees (as defined below) and other persons conducting business with the Village have a legal right to a workplace that is free from sexual harassment.

The Village is equally committed to maintaining a workplace that is free from discrimination and other types of prohibited harassment. Employee complaints or reports of harassment (based on a status other than sex) or discrimination should be reported pursuant to "The Incorporated Village of Nissequogue Policy Against Discrimination and Harassment."

Policy

This Policy applies to all employees, applicants for employment, interns, non-employees (see definition below), and other persons conducting business with the Village, regardless of immigration status, ("covered individuals") with respect to conduct by other persons.

For purposes of this Policy, a "non-employee" is an independent contractor, agent or someone who is (or who is employed by) a contractor, subcontractor, vendor, consultant or anyone providing services in the workplace. Non-employees also include volunteers, temporary workers, persons providing equipment repair, cleaning services or any other service pursuant to a contract, or other relationship with the Village.

All covered individuals must follow and uphold this Policy.

Sexual harassment is a form of misconduct and will not be tolerated. Sexual harassment is offensive, a violation of the Village's policies, unlawful, and may subject the Village to liability for harm to targets of sexual harassment. Sexual harassers may also be individually subject to liability.

Following receipt of a complaint about sexual harassment or of knowledge regarding possible sexual harassment that is occurring or has occurred, the Village will conduct a prompt, thorough and confidential investigation that ensures due process for all parties. Appropriate corrective action, subject to any statutory or contractual limitations, will be taken whenever sexual harassment is found to have occurred.

What is “Sexual Harassment?”

Sexual harassment is a form of sex discrimination and is unlawful pursuant to federal, State and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct that is of a sexual nature or that is directed at an individual because of his/her sex, sexual orientation, gender identity or transgender status when:

- the conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- the conduct is made either explicitly or implicitly a term or condition of employment; or
- submission to or rejection of the conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence that are of a sexual nature, or that are directed at an individual because of his/her sex, sexual orientation, gender identity or transgender status. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone that are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation or that interfere with his/her job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. Job benefits may include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “*quid pro quo*” harassment.

Any covered individual who believes that he/she is being or has been sexually harassed should report the sexual harassment so that any violation of this Policy can be promptly corrected. Any sexually harassing conduct, even a single incident, can be addressed pursuant to this Policy.

Examples of Sexual Harassment

The following describes some of the types of acts that are strictly prohibited and that may constitute unlawful sexual harassment:

- Physical acts of a sexual nature including:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body or poking another person's body; and
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions including:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments; and
 - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks, jokes or comments about a person's sexuality or sexual experience that creates a hostile work environment.
- Sex stereotyping which occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace including:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes displays on workplace computers, cell phones or other electronic devices and sharing these displays while in the workplace.
- Hostile actions taken against an individual because of his/her sex, sexual orientation, gender identity or transgender status, including:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the person's ability to perform the job;
 - Sabotaging a person's work; and
 - Bullying, yelling or name-calling.

Who Can be a Target of Sexual Harassment?

Sexual harassment can occur between or among any individuals, regardless of their sex or gender. New York Law protects covered individuals from sexual harassment. Sexual harassers can be a superior, a subordinate, a co-worker or anyone in the workplace including another covered individual or any other person, including a visitor.

Where Can Sexual Harassment Occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can also occur outside of the workplace while covered individuals are traveling for work or at employer-sponsored events, programs, activities or parties. Calls, texts, emails, and social media usage can

constitute unlawful workplace harassment even if they occur away from the workplace premises, on personal devices or outside of work hours.

Retaliation is Prohibited

Retaliation against anyone who, in good faith, complains, provides information or assists in an investigation of suspected sexual harassment as a witness or otherwise will not be tolerated.

No covered individual will be subject to adverse action(s) (e.g., being discharged, disciplined, discriminated against; *etc.*) because that person, in good faith, reports an incident of sexual harassment, provides information, or otherwise participates in any investigation of a sexual harassment complaint.

Appropriate corrective action, subject to any statutory or contractual limitations, including, but not limited to, disciplinary action, termination of employment and/or termination of any contractual or other relationship with the Village will be implemented.

Unlawful retaliation can be any action that could discourage a covered individual from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Retaliation is unlawful pursuant to federal, State and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has, in good faith:

- made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment pursuant to the Human Rights Law or other anti-discrimination law;
- opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of harassment;
- reported that another employee has been sexually harassed; or
- encouraged a fellow employee to report sexual harassment.

Even if the alleged sexual harassment does not rise to the level of a violation of law, the individual is protected from retaliation if he/she had a good faith belief that the practices were unlawful. The retaliation provision is not intended, however, to protect persons making intentionally false charges of sexual harassment.

Any covered individual who believes that he/she has been a target of any acts of retaliation in violation of this Policy should immediately report that conduct to his/her Supervisor

or the Village Administrator. If the complaint involves or the individual is hesitant to report to his/her Supervisor or the Village Administrator, the individual should report the conduct to the Mayor or any member of the Board of Trustees. Contact information for these individuals can be found on the Village's website or is available from the Village Clerk.

Anyone who believes that he/she has been a target of prohibited retaliation may seek legal remedies, as explained below in the section on "Legal Protections."

Reporting Sexual Harassment

Preventing sexual harassment is everyone's responsibility. The Village cannot prevent or remedy sexual harassment unless we know about it.

All covered individuals are encouraged to report any behavior that may constitute sexual harassment in violation of this Policy to his/her Supervisor or the Village Administrator. If the complaint involves or the individual is hesitant to report to his/her Supervisor or the Village Administrator, the behavior should be reported to the Mayor or any member of the Board of Trustees. Contact information for these individuals can be found on the Village's website or is available from the Village Clerk.

Anyone who witnesses or becomes aware of a potential instance of sexual harassment should also report this behavior to one of the above individuals.

Reports of sexual harassment may be made orally or in writing. A form for submission of a written complaint is attached to this Policy, and all covered individuals are encouraged to use this complaint form. If a covered individual reports sexual harassment on behalf of someone else, he/she should use the written complaint form and note that he/she is submitting the complaint on someone else's behalf.

Anyone who believes that he/she has been a target of prohibited sexual harassment may seek legal remedies, as explained below in the section on "Legal Protections."

Supervisory Responsibilities

Any supervisor or manager who receives a complaint or information about suspected sexual harassment, observes what may be sexually harassing behavior or for any reason becomes aware of or suspects that sexual harassment is occurring or has occurred, is **required** to report that suspected sexual harassment to the Village Administrator, irrespective of whether the affected individual files a complaint. If the complaint or information involves the Village Administrator, the supervisor/manager must report the suspected sexual harassment to the Mayor. Contact information for these individuals can be found on the Village's website or is available from the Village Clerk.

In addition to potentially being subject to appropriate corrective action, subject to any statutory or contractual limitations, if they engage in sexually harassing conduct or retaliation themselves, supervisors and managers will be subject to appropriate corrective action, subject to

any statutory or contractual limitations, for failing to report suspected sexual harassment or for otherwise knowingly allowing sexual harassment to continue. Corrective action includes, but is not limited to, disciplinary action or termination of employment.

Complaint and Investigation of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in oral or written form. An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. All persons involved, including complainants, witnesses and alleged sexual harassers will be afforded due process, as outlined below, to protect their rights to a fair and impartial investigation.

All covered individuals, including supervisors and managers, may be required to cooperate as needed in an investigation of suspected sexual harassment to the extent permitted by law. Anyone who participates in an investigation will not be retaliated against for that reason. The Village will not tolerate retaliation against anyone who files a complaint, supports another's complaint or participates in an investigation regarding a violation of this Policy.

While the process may vary from case to case, the following investigation procedure must be followed when there is any indication that sexual harassment has taken, or is taking, place:

- The Village Administrator, or designee, will investigate all complaints of sexual harassment, except as otherwise outlined herein. Third parties may be designated to investigate a complaint or assist with any investigation.
- Upon receipt of a complaint or report of suspected sexual harassment, the Village Administrator, or designee, will conduct an immediate review of the allegations. If the complaint is oral, the Village Administrator, or designee, will encourage the complainant or informant to complete the written complaint form, a copy of which is attached to this Policy. If he or she refuses, the Village Administrator, or designee, will prepare a complaint form based on the oral reporting.
- If documents, emails, phone records or other paper or electronic records are relevant to the allegations, the Village will take steps to obtain and preserve them.
- The Village Administrator, or designee, will request and review all relevant documents, including all electronic communications.
- The Village Administrator, or designee, will interview all parties involved, including any relevant witnesses.
- All records of the investigation will be maintained in a secure and confidential location.

- The Village Administrator, or designee, will notify the individual who complained and the alleged perpetrator of the outcome of the investigation.
- The Village Administrator, or designee, will inform the individual who complained of his/her right to file a complaint or charge externally, as outlined below.

Corrective Action

Any person, including covered individuals of every level who, upon an investigation in accordance with this Policy, is determined to have engaged in impermissible sexual harassment or retaliation in violation of this Policy, will be subject to appropriate corrective action, subject to any statutory or contractual limitations, including, but not limited to, disciplinary action (*e.g.*, suspension or termination of employment).

If the sexual harassment involves a non-employee or other individual, then other consequences may be implemented up to and including termination of any contractual or other relationship between the Village and the non-employee or other individual.

Confidentiality

The confidentiality and privacy of all parties involved in a complaint, report or investigation of suspected sexual harassment or retaliation in accordance with this Policy will be respected to the extent possible while permitting the Village to conduct a thorough investigation of the complaint or report and take appropriate corrective action as necessary.

Bad Faith Claims

If, after investigating a complaint of sexual harassment, it is determined that a person has made a claim of sexual harassment or retaliation in bad faith, or intentionally provided false information regarding a claim of sexual harassment or retaliation, legal action and/or appropriate corrective action including, but not limited to, disciplinary action, termination of employment and/or termination of any contractual or other relationship with the Village may be taken against that person, subject to any statutory or contractual limitations.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by the Village, but it is also prohibited by State, federal and (where applicable) local law. Aside from the internal process at the Village, covered individuals may also choose to pursue legal remedies including, for example, in court and/or with the below governmental entities. While a private attorney is not required to file a complaint with a governmental agency, you may seek the legal advice of an attorney.

New York State Human Rights Law (HRL)

The HRL, codified as N.Y. Executive Law, Art. 15, § 290 *et seq.*, applies to employers in New York State with regard to sexual harassment and protects employees, paid and unpaid

interns and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court. Complaints with the DHR may be filed any time within one year of the harassment. If an individual did not file at the DHR, they can sue directly in State court pursuant to the HRL within three years of the alleged harassment. An individual may not file with the DHR if they have already filed a HRL complaint in State court.

Complaining internally to the Village does not extend your time to file with the DHR or in court. The one-year and three-year time periods outlined above are counted from the date of the most recent incident of harassment.

You do not need an attorney to file a complaint with the DHR, and there is no cost to file. The DHR will investigate your complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, the DHR has the authority to award relief, which varies but may include requiring an employer to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorneys' fees and civil fines.

The DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. The contact information for DHR's Suffolk County Office is: State Office Building, 250 Veterans Memorial Highway, Suite 2B-49, Hauppauge, New York 11788, (631) 952-6434, www.dhr.ny.gov. Individuals can contact the DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to the DHR. The website also contains contact information for DHR's regional offices across New York State.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. You do not need an attorney to file a complaint with the EEOC and there is no cost to file. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred.

If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an

administrative complaint with the DHR, the DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live or work to find out if one or more of these laws exist.

For example, anyone who lives or works in Suffolk County may file complaints of sexual harassment with the Suffolk County Human Rights Commission at: H. Lee Dennison Building, 100 Veterans Memorial Hwy, Third Floor, Hauppauge, NY 11788, (631) 853-5480.

Contact the Police Department

If the sexual harassment involves physical touching, coerced physical confinement or coerced sexual acts, the conduct may constitute a crime and affected individuals should contact the police department.

Dissemination and Training

This Policy should be posted prominently in all work locations to the extent practicable (for example, in a main office, but not an off-site work location). The Village will provide this Policy to all employees and will provide this Policy to new employees upon hire.

All employees will receive sexual harassment prevention training at least annually.

We trust that everyone will continue to act responsibly to establish a working environment free of sexual harassment. We encourage you at any time to raise any questions you may have about this Policy.

SEXUAL HARASSMENT COMPLAINT FORM

If you believe that you have been subjected to sexual harassment, you are encouraged to complete this form and submit it to your Supervisor or the Village Administrator. If your complaint involves or you are hesitant to submit this form to your Supervisor or the Village Administrator, you should submit the form to the Mayor or any member of the Board of Trustees. Contact information for these individuals can be found on the Village's website or is available from the Village Clerk. This form can be submitted in person or by email. Retaliation against anyone who, in good faith, files a sexual harassment complaint form is prohibited. If you are more comfortable reporting orally or in another manner, the Village will complete this form, provide you with a copy of it and follow its Policy Against Workplace Sexual Harassment by investigating the claims.

HARASSMENT AND DISCRIMINATION POLICY

INCORPORATED VILLAGE OF NISSEQUOGUE POLICY AGAINST DISCRIMINATION AND HARASSMENT

The Incorporated Village of Nissequogue is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered illegally harassing, coercive or disruptive. Unlawful discrimination or harassment based on any characteristic or status protected by applicable law including, but not limited to, race, color, national origin, creed, age, genetic information, marital status, familial status, domestic violence victim status, religion, disability, pregnancy related condition, arrest (not pending), criminal conviction (in violation of Article 23-A of the New York Correction Law), military or veteran service status, use of a guide dog, or hearing dog or service dog is strictly prohibited and will not be sanctioned or tolerated. The Village further recognizes that preventing and remedying illegal harassment and discrimination is essential to ensure a nondiscriminatory environment in which employees can work productively.

This policy prohibits unlawful workplace discrimination and harassment based upon any characteristic or status protected by applicable law other than sexual harassment (including sexual orientation, gender identity and the status of being transgender). Complaints or concerns about workplace sexual harassment are addressed separately in the "Policy Against Workplace Sexual Harassment."

Prohibited Conduct

Harassment on the basis of any protected characteristic is strictly prohibited. Harassment is considered verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color, national origin, creed, age, genetic information, marital status, familial status, domestic violence victim status, religion, disability, pregnancy-related condition, arrest (not pending), criminal conviction (in violation of Article 23-A of the New York Correction Law), military or veteran service status, use of a guide dog, hearing dog or service dog, or any other characteristic or basis protected by applicable law. This includes, but is not limited to: any conduct that has the purpose or effect of creating an intimidating, hostile, or offensive work environment; has the purpose or effect of unreasonably interfering with an individual's work performance; or otherwise adversely affects an individual's employment. This prohibition extends to conduct by Village employees, officers, board members, volunteers, independent contractors, agents or anyone providing services to the Village.

Harassing conduct includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating or hostile acts; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls or elsewhere on the Village's premises, circulated in the workplace, or on the internet.

Discrimination is the act of treating or allowing similarly situated employees or applicants for employment to be treated differently with respect to hiring, firing, promotion

or any other term or condition of employment because of any characteristics or bases protected by applicable law or this Policy.

Complaint Procedure

Any employee who believes that he or she has been subjected to prohibited harassment or discrimination or who has witnessed anyone engaging in prohibited harassment or discrimination should immediately contact his/her Supervisor or the Village Administrator. If the complaint involves or the individual is hesitant to report to his/her Supervisor or the Village Administrator, a report can be made to the Mayor or any member of the Board of Trustees. The contact information for these individuals is listed on the Village's website or is available from the Village Clerk.

It is the responsibility of all supervisors to ensure that no employee is subjected to any form of prohibited harassment or discrimination. Should a supervisor become aware of the occurrence of harassment or discrimination, irrespective of whether the affected employee has filed a complaint, it is the responsibility of that supervisor to follow the procedures set forth below in order to ensure that appropriate action is taken to eliminate the harassment or discrimination and rectify the situation.

The following procedure must be followed when there is any indication that harassment or discrimination has taken, or is taking, place:

- An employee who raises a question or concern regarding harassment or discrimination should be encouraged to file a written complaint with his/her Supervisor or the Village Administrator. A form for filing the complaint is attached to this Policy. If the complaint involves or if the employee is hesitant to file the complaint with his/her Supervisor or the Village Administrator, the employee should file the complaint with the Mayor or any member of the Board of Trustees.
- In the event that a supervisor becomes aware of an occurrence of harassment or discrimination, but discovers that no complaint has been filed by the affected employee or that the employee is unwilling to file a complaint, the supervisor must immediately notify the Village Administrator or, if the behavior involves the Village Administrator, the supervisor must immediately notify the Mayor.
- All complaints about suspected harassment or discrimination will be investigated, whether that information was reported in oral or written form.
- All complaints of harassment or discrimination will be investigated by the Village Administrator or a designee of the Village Administrator (which may include a third party). The investigation may include, but not be limited to, interviewing the complaining party, the accused, any supervisors, and any other personnel, as necessary, to obtain sufficient factual information upon which to make a determination. All records of this investigation will be

maintained in an independent and confidential file. Third parties may be designated to investigate the complaint or assist with any investigation.

- At the conclusion of the investigation, the investigator will report the findings to the Board of Trustees. If it is found that prohibited harassment or discrimination has, in fact, occurred, appropriate corrective action will be taken.
- Where appropriate, the affected employee and the accused will be separately advised by the investigator as to the final disposition of the investigation.
- All investigations will be conducted in a prompt, thorough and impartial manner.

Confidentiality

At all stages of this process, the confidentiality and privacy of all parties, including complainants, informants, witnesses and the accused, will be respected to the extent possible and consistent with law while still conducting a thorough investigation of the complaint and taking appropriate corrective action as necessary.

Retaliation is Prohibited

Any act of retaliation against anyone who, in good faith, reports an incident of harassment or discrimination, or provides information or assists in an investigation of suspected harassment or discrimination as a witness or otherwise is prohibited and will not be tolerated.

For purposes of this Policy, retaliation includes, but is not limited to: adverse employment action(s) (*e.g.*, being discharged, disciplined, discriminated against; *etc.*), verbal or physical threats, intimidation, ridicule, bribes, destruction of property, spreading rumors, stalking, harassing phone calls, and any other form of harassment. Anyone who retaliates against another in violation of this Policy is subject to appropriate corrective action including, but not limited to, disciplinary action, as warranted, in accordance with Village policy, the Code of the Village of Nissequogue ("the Village Code") and applicable laws, regulations and contractual provisions.

Any individual who believes that he or she has been subjected to any acts of retaliation should immediately report that conduct to his/her Supervisor or the Village Administrator. If the complaint involves or the individual is hesitant to bring the matter to the attention of his/her Supervisor or the Village Administrator, the report should be made to the Mayor or any member of the Board of Trustees.

Interim Measures

If the complainant reports that (s)he feels unsafe at work due to the nature of the complaint, the Village will determine if interim measures or accommodations need to be made pending the investigation and resolution of the complaint.

Corrective Action

If, after appropriate investigation, the Village finds that there has been prohibited harassment, discrimination or retaliation in violation of this Policy or law, appropriate corrective action will be taken in accordance with Village policy, the Village Code and applicable laws, regulations and contractual provisions.

If the accused is an employee, consequences may include, but are not limited to, disciplinary action up to, and including, termination of employment. If the accused is not a Village employee, consequences may include, but are not limited to, termination of any contractual or other relationship between the Village and the individual.

Bad Faith Claims

If, after investigating a complaint of harassment or discrimination, it is determined that an individual has intentionally made a claim of harassment or discrimination in bad faith, or intentionally provided false information regarding a harassment, discrimination or retaliation complaint, legal action and/or appropriate corrective action including, but not limited to, disciplinary action, termination of employment and/or termination of any contractual or other relationship with the Village may be taken against that individual.

Dissemination and Training

This Policy will be available in each Village facility, on the Village's website and in employee handbooks. All new employees will receive information about this Policy at new employee orientation. All other employees will be provided information at least once a year regarding this Policy.

The Village's employees will be trained annually with regard to their rights and obligations pursuant to this Policy.

Review and Revision of Policy

A review of this Policy will be conducted periodically to consider its effectiveness and compliance with applicable State and federal law. Revisions will be recommended to the Board of Trustees when appropriate.

WORKPLACE DISCRIMINATION/HARASSMENT COMPLAINT FORM

Use this form to file an internal claim of workplace harassment (other than sexual harassment, which should be filed in accordance with the Policy Against Workplace Sexual Harassment) or discrimination, including hostile work environment, based on race, color, national origin, creed, age, genetic information, marital status, familial status, domestic violence victim status, religion, disability, pregnancy-related condition, arrest (not pending), criminal conviction (in violation of Article 23-A of the New York Correction Law), military or veteran service status, use of a guide dog, hearing dog or service dog, or any other characteristic or basis protected by applicable law.

The purpose of this section is to establish an electronic use policy for the Village of Nissequogue.

Privacy

Computers, computer files, the e-mail system, software, and cell phones that are furnished to employees are the Village of Nissequogue property intended for business use only. No employee should expect privacy in work-related conduct or the use of this property owned or provided by the Village. The purpose of this policy is to notify you that no reasonable expectation of privacy exists in connection with your use of such property.

Right to Access

Although employees may have individual access passwords to voicemail, e-mail, computer network and other electronic information systems, these systems are, and must remain, accessible at all times to and by the Village of Nissequogue and may be subject to periodic, unannounced inspections by the Board of Trustees for business purposes. Employees may not withhold information maintained within computer files, computer databases or electronic information systems with the exception of personnel records. Passwords not made available to the Village may be decrypted. E-mail and voicemail messages can be maintained by or accessible to the Village and may be referenced for business, legal or other reasons. All information accessible to the Village may be duplicated by the Village. To ensure compliance with this policy, computer and e-mail usage may be monitored.

Use Restrictions

No employee shall copy for personal use any program, file or record containing proprietary or copyrighted materials belonging to the Village of Nissequogue or to a third-party software license or which the Village has purchased, leased or licensed for official Village business. Additionally, no employee shall copy onto the Department's computer system any employee's personal programs, files or software.

Password Policy

All employees shall update their passwords quarterly. Passwords must contain at least one uppercase letter, one lowercase letter and one numeric character. All passwords must have a minimum of eight characters. Passwords will be maintained in a sealed envelope in the Village files to allow access to the Village Mayor or Board of Trustees in the event an emergency.

Internet Usage

Internet access to global electronic information resources on the World Wide Web is provided by the Village to assist employees in obtaining work-related data and technology. The following guidelines have been established to help ensure responsible and productive internet usage. While internet usage is intended for job-related activities, incidental and occasional brief personal use is permitted within reasonable limits and subject to this policy. Village of Nissequogue reserves the right to monitor any and all Internet traffic.

All Internet data that is composed, transmitted, or received via our computer communications systems is considered to be part of the official records of Village of Nissequogue and, as such, is subject to disclosure to law enforcement or other third parties. This data is not private and no employee should expect that it is. Consequently, employees should always ensure that the business information contained in Internet e-mail messages and other transmissions is accurate, appropriate, and ethical, in compliance with all Village policies and is lawful.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not gotten authorization for its use, it should not be put on the Internet. Employees are also responsible for ensuring that the person sending any material over the Internet has the appropriate distribution rights.

Users should take the necessary anti-virus precautions before downloading or copying any file from the Internet or outside media (i.e.: cd's, flash drives, compact flash cards etc.). All downloaded files are to be checked for viruses; all compressed files are to be checked before and after decompression.

Abuse of the Internet access provided by Village is violation of law or Village of Nissequogue policies will result in disciplinary action, up to and including termination of employment. Employees may also be held personally liable for any violations of this policy.
