RESOLUTION #149-23

REPEALING CHAPTER 149 OF THE CODE OF THE VILLAGE OF HEAD OF THE HARBOR ENTITLED “TREES” AND CREATING A NEW CHAPTER 149 ENTITLED “TREES”

Be it hereby enacted by the Board of Trustees of the Incorporated Village of Head of the Harbor as follows:

Section 1. Repealer.

Chapter 149 of the Village Code, entitled "Trees," is hereby repealed in its entirety and is replaced by the provisions set forth below.

Section 2. Enactment.

Chapter 149 of the Village Code, entitled "Trees," is hereby enacted as follows:

§ 149-1. Findings and legislative intent.

A. The Board of Trustees of the Incorporated Village of Head of the Harbor hereby finds that there is a direct relationship between the planting and management of trees and the preservation of natural vegetation in populated areas of the Village and the health, safety and welfare of Village residents, and that trees and natural vegetation are related to the natural, scenic and aesthetic values and the physical and visual qualities of the environment which the Village is obligated to protect. Trees and natural vegetation provide privacy to Village residents, reduce noise, provide shade that contributes to energy conservation, preserve the balance of oxygen in the air by removing carbon dioxide and fostering air quality, and create a bucolic and rural atmosphere in the Village, especially along the roads. Trees and natural vegetation also stabilize the soil and control water pollution by preventing soil erosion and flooding, yield advantageous climatic effects and provide a natural habitat for wildlife.

B. The indiscriminate removal of trees and clearing of natural vegetation causes soil erosion and alters the current pattern of stormwater runoff and creates flooding on roadways and other real property in the Village which results in increased Village costs for proper drainage control. Said removal and clearing is detrimental to existing residential properties, impairs the stability and value of real property in the area of said removal or clearing and adversely affects the health, safety and general welfare of the residents of the Incorporated Village of Head of the Harbor.

The Building Inspector and any member of the Village Police Department are hereby vested with authority to enforce the provisions of this chapter, and any enforcement shall include a rebuttable presumption that the person(s) responsible for any violation under this chapter includes but is not limited to the record owner(s) and/or actual occupant(s) of the property as well as any person actually engaged in the unauthorized removal of trees or clearing of natural vegetation.

§ 149-10. Additional rights and remedies not affected.

Nothing herein shall abridge or alter any rights or remedies now or hereinafter existing, nor shall this chapter nor any provisions thereof nor any rule or regulation promulgated thereunder be construed as estopping the Village of Head of the Harbor from exercising its rights and fulfilling its obligations to protect the public health and welfare.
